

YEAR N HOME LEARNING SUMMER 2 WEEK 4

These are your 'Home Learning' tasks for our year group.
Share your progress with us on Tapestry by adding an observation including photographs, videos and the pupil voice.

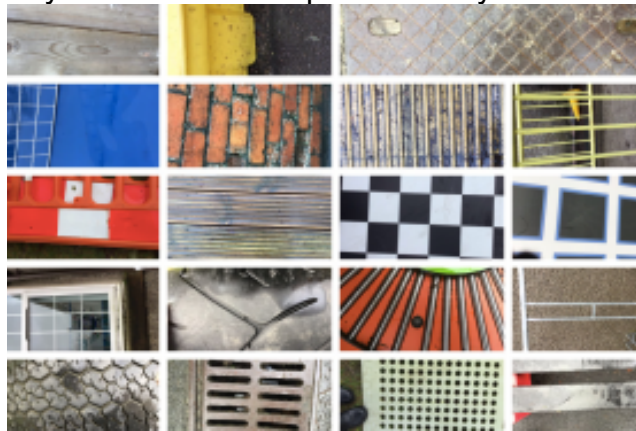

Reading

Sound out the following words to you child and ask them to blend the sounds together to tell you what the word is.

m-a-d. j-e-t. w-e-t. g-o-t. r-u-n. s-i-p. k-i-ck. f-i-t. l-e-ss

Mathematics

This week we are looking at different patterns. What patterns can you find in the environment (around the home, outdoors, in shops)? Can you find something that is spotty or stripey? Can you talk about the pattern that you find?

Literacy

In readiness for Reception, we are beginning to learn the sounds of letter spellings. Our focus letter spelling this week is the letter 'a'. Can you say the sound the letter spelling makes? Can you find the letter spelling around your home, in the shop, on signs, in the street?

a

Topic

This week we are looking at how litter has an impact on the ocean. Can you go out with your grown-up and do a litter pick? Remember to wear gloves and wash your hands.
