

YEAR N HOME LEARNING SUMMER 2 WEEK 3

These are your 'Home Learning' tasks for our year group.
Share your progress with us on Tapestry by adding an observation including photographs, videos and the pupil voice.

Reading

Sound out the following words to you child and ask them to blend the sounds together to tell you what the word is.

c-a-b. j-a-m. w-i-t. g-e-t. r-u-g. b-o-p. l-o-ck. h-i-p. m-e-ss

Mathematics

Our number of the week is number 9. Can you find the number 9 around your home, in the street, in the shop, on signs?

Literacy

In readiness for Reception, we would like all Nursery children to continue to practice writing their first to become confident and independent by the end of the academic year. If your child can already independently write their first name, then can we ask that you please focus on writing their last name.

Topic

We have been talking about animals that live in the sea. We looked at crabs in particular. Can you make a picture of a crab?
