

RECEPTION HOME LEARNING SPRING 2 - WEEK 2

This is your 'Home Learning' task for our year group. Share your progress with us on Tapestry by adding an observation including photographs, videos and pupil voice.

READING

Read with your child for up to 10 minutes daily encouraging them to use their phonic knowledge to read the words. Talk about the story with your child, asking them questions about events and characters in the story. Please remember to record each time you read with your child on Boom Reader.

MATHEMATICS

This week we are looking combining two amounts. Work with your children at home looking at adding two amounts together. You can add lots of different objects in your home together. Can you look at writing the corresponding number sentence?

LITERACY

This week our story is Jack and the Beanstalk. Share the story with your child and talk about the order of the story. Sequence the main parts of the story and draw a picture for each part. Upload them onto Tapestry to share them with us.

TOPIC

This week we are looking at signs of spring. Maybe you could go on a walk in your local area or even look in your garden and look out for the signs spring is coming. You could draw or write about what you see or even take photos to add to Tapestry.
