

## RECEPTION HOME LEARNING SPRING 2 - WEEK 3

This is your 'Home Learning' task for our year group. Share your progress with us on Tapestry by adding an observation including photographs, videos and pupil voice.

### READING

Read with your child for up to 10 minutes daily encouraging them to use their phonic knowledge to read the words. Talk about the story with your child, asking them questions about events and characters in the story. Please remember to record each time you read with your child on Boom Reader.

### MATHEMATICS

This week we are continuing to look combining two amounts. Continue to work with your children at home looking at adding two amounts together. You can add lots of different objects in your home together. Can you look at writing the corresponding number sentence?

### LITERACY

This we are writing simple sentences using our phonics – we will use the sounds in words to write sentences such as:

The cat is big. The hat is red. A pen in a pot. The man sat on a log.

You can practise writing sentences like these. Upload them on to Tapestry so we can see your sentences.

### TOPIC

This week we are looking at healthy eating. Can you help your family create a healthy meal? It could be breakfast, a snack or dinner. Talk about the foods you choose and why they are healthy.
