

RECEPTION HOME LEARNING SPRING 2 - WEEK 4

This is your 'Home Learning' task for our year group. Share your progress with us on Tapestry by adding an observation including photographs, videos and pupil voice.

READING

Read with your child for up to 10 minutes daily encouraging them to use their phonic knowledge to read the words. Talk about the story with your child, asking them questions about events and characters in the story. Please remember to record each time you read with your child on Boom Reader.

MATHEMATICS

This week we are learning about 1 more and 1 fewer. Using house hold objects encourage the children to add one and subtract one to find one more and one less. Encourage children to use the vocabulary more, less and fewer.

LITERACY

This week our story is Handa's Surprise. Share the story with your child: [Handa's Surprise - Give Us A Story!](#)

Talk about the story and ask your children to match the animal to the fruit they took. Can you put the fruits in the order they were taken?

TOPIC

This week we are talking about animals and their babies. Have you ever visited a farm? Did you see any animal babies? What are they called? You can share photos or drawings of animals and their babies.
