

## RECEPTION HOME LEARNING SPRING 1 - WEEK 1

This is your 'Home Learning' task for our year group. Share your progress with us on Tapestry by adding an observation including photographs, videos and pupil voice.

### READING

Read with your child for up to 10 minutes daily encouraging them to use their phonic knowledge to read the words. Talk about the story with your child, asking them questions about events and characters in the story. Please remember to record each time you read with your child on BoomReader.

### MATHEMATICS

This week we are comparing numbers up to five using the language 'more' and 'fewer'. Can you collect sets of objects at home and compare them. Which group has more? Which group has fewer? How do you know?

### LITERACY

Our story this week is 'The Elves and the Shoemaker'. Can you retell the story at home by recording a video or drawing and writing about the story. Maybe you could set up your own shoe shop and pretend to be the cobbler.

### TOPIC

As part of our topic 'Long Ago' we are talking about the order of events using words like first, then and next to show the passing of time. Draw pictures or record a video of you talking about the order you do things when getting ready for school in the morning.
