

RECEPTION HOME LEARNING SPRING 1 - WEEK 3

This is your 'Home Learning' task for our year group. Share your progress with us on Tapestry by adding an observation including photographs, videos and pupil voice.

READING

Read with your child for up to 10 minutes daily encouraging them to use their phonic knowledge to read the words. Talk about the story with your child, asking them questions about events and characters in the story. Please remember to record each time you read with your child on BoomReader.

MATHEMATICS

This week we are looking at adding 2 numbers together within 8.

At home see what different thing you could add, this could be anything that you are using at home – maybe when eating dinner, the children could count how many pieces of broccoli and how many carrots there are on their plate altogether. See what other equipment you have around the house that you could count out and add together.

LITERACY

This week we have listened to the story Once There Were Giants by Martin Waddell. Share the story with your child

<https://www.youtube.com/watch?v=STwCfjVajys> and talk about how they have changed since they were babies. Think about the things they did as babies, what they can do now and what they might be able to do as they grow up. You can draw or write about these and share them on Tapestry.

TOPIC

This week we are looking at special memories from when we were younger. Share some photos and talk about special memories with your family. You can write or draw about your special memory and share them on Tapestry.
