

## RECEPTION HOME LEARNING SPRING 1 - WEEK 4

This is your 'Home Learning' task for our year group. Share your progress with us on Tapestry by adding an observation including photographs, videos and pupil voice.

### READING

Read with your child for up to 10 minutes daily encouraging them to use their phonic knowledge to read the words. Talk about the story with your child, asking them questions about events and characters in the story. Please remember to record each time you read with your child on BoomReader.

### MATHEMATICS

This week we are looking at numbers 9 and 10. Think about how many different things you can count out at home. It's important that they children understand the value of 9 and 10 as well as writing the numbers. Count as many things as you can with the children and practise writing the corresponding numbers.

### LITERACY

This week we are listening to the Fairy Tale Cinderella. Share some other Fairy Tales with your child. You child could then draw a picture about their favourite Fairy Tale character and write about them. Upload their work onto Tapestry so we can celebrate and share it.

### TOPIC

This week we looking at toys and games from the past. What is your favourite toy? What do you like about it? How is it different to toys from the

past? Talk to members of your family about their favourite toys as a child.
