

## RECEPTION HOME LEARNING SPRING 1 - WEEK 5

This is your 'Home Learning' task for our year group. Share your progress with us on Tapestry by adding an observation including photographs, videos and pupil voice.

### READING

Read with your child for up to 10 minutes daily encouraging them to use their phonic knowledge to read the words. Talk about the story with your child, asking them questions about events and characters in the story. Please remember to record each time you read with your child on Boom Reader.

### MATHEMATICS

This week we are comparing numbers to 10. Can you find two sets of objects and compare them by saying which set has more or fewer?

### LITERACY

This week we are listening to the story *The Smartest Giant in Town* by Julia Donaldson. Julia Donaldson has written lots of children's stories. Share some of these with your children and help them decide which is their favourite and why. Upload their work onto Tapestry so we can celebrate and share it.

### TOPIC

This week we are looking at some of our favourite nursery rhymes. What is your favourite nursery rhyme? Can you perform a rhyme and share it with us on Tapestry?
