

RECEPTION HOME LEARNING SPRING 1 - WEEK 7

This is your 'Home Learning' task for our year group. Share your progress with us on Tapestry by adding an observation including photographs, videos and pupil voice.

READING

Read with your child for up to 10 minutes daily encouraging them to use their phonic knowledge to read the words. Talk about the story with your child, asking them questions about events and characters in the story. Please remember to record each time you read with your child on BoomReader.

MATHEMATICS

This week in Maths we are learning about 3D shapes. Can you look for different 3D shapes at home with your child. Talk about what shapes they make and discuss the properties of each shape.

LITERACY

This week we are writing simple words (eg cat, pan, sun) or simple sentences (eg pat the dog, a pen in a bag). Please practise writing words and simple sentences with your child. Please upload a photo of their work onto Tapestry so we can celebrate their work.

TOPIC

As part of our 'Being British' focus week we are looking at the British value of 'Rule of Law'. We will be talking about laws and rules in school. What rules do you follow at home or any other places you go? Why are these rules important? Can you think of a set of rules for playing a game?
