Key Points

- Eco-councillors introduced themselves
- Eco-councillors shared what it means to be on the Eco-Council committee
- Spoke about the aims of Eco-Council – what it is and what it is for.
- Badges were given out
- CE explained that as Eco-Councillors their job is to help teach other children – and teachers – in the school about what we need to be doing.
- CE explained some of the things we would be doing during the year.
- Asked eco councillors what they thought they could do - Discussed how the Eco-Councillors needed to be responsible things in their class room and around school eg turning off lights, computers, whiteboards, equipment when not being used/not needed, encouraging peers to reduce paper use, encourage peers to stop food waste
- Promoted the upcoming Rags2Riches collection
- CE briefly outlined the 10 topics that we could focus on and explained that we will focus on 3. Children gave suggestions on which topics they would be interested in and discussed what we could do for the topics.
- Eco-Councillors asked to feed back to their class when they return from a meeting.
