

# Meeting Minutes

<b>Time and Date</b>	13/11/25
<b>Attendees</b>	Raiden Joseph D'Marri Ivy-Rae Roxana Sidney Ivy Frances Harper Azaan Aisha Mollie Savleen Maisie May Elsie Niamh Archie Amyra
<b>Apologies</b>	

## Key Points

- CE introduced the topic of food waste and asked for children to discuss what this means
- Explained what food waste is
- Discussed the environmental impact of food waste (pollution, loss of resources)
- Discussed the impact of food waste at YT
- CE recapped Reduce, Reuse, Recycle, specifically with food - real-life examples (e.g., serving smaller portions, using leftovers, composting scraps).
- Discussed how to keep track of food waste by using a school lunch example—what is left at the end of lunch? Discussed what could be done differently
- CE explained that the school are having new food waste bin
- Children shared ideas on how they could promote the reduction of food waste with their peers
- Children designed posters to be laminated and displayed around school
- Eco councillors were asked to go back to their classes and feedback about ways to reduce food waste

## Next Steps

Complete the Eco-Schools Environmental Review – invite site team to support with this.

## Next Meeting

22<sup>nd</sup> January 2026 at 2pm.
