## Key Points

- CE explained about the Environmental Review section of the Eco School Application
- Children in groups completed questions
- Children went around the school and grounds to complete questions.
- The children discussed what we could do by the end of the year to turn any of the 'no' answers to 'yes' answers eg organise an energy saver day and ideas for how we could do this, and organising a community litter pick
- CE told the children about 'The Great British Spring Clean'
- Children to go back to their classes and feedback the Great British Spring Clean and asking children and families to see if they could do some litter picking in the local area/community.

## Next Steps
